Council Devotes  
Time to Routine  
at Regular Meet

A mass of routine matters occu-  
pied the attention of council at its  
meeting last night, principal among  
which was the disposal of the bonds  
voted for paving and improvements  
in the newly annexed wards in the  
Heights. Clerk Bart reported that  
the local banks would not handle  
the bonds, at least for the present.  
The East Florida Savings & Trust  
Co., agreed to take its quota of the  
bonds, the State Bank said it might  
be able to do so in a short time, and  
the Putnam National declared its  
policy opposed to bond purchases,  
according to the report made by  
Clerk Bennett.

It was decided to advertise for  
bids for the bonds in the regular way  
and instructions to this effect were  
issued.

Twelve lights were ordered placed  
in the two new wards, seven in  
Ward 9 and five in Ward 8.

The city engineer was instructed  
to inform property owners in front  
of whose property trees had caused  
the paving to raise t make repairs  
at once or the city would make the  
repairs and assess the cost against  
the property.

Mayor Fearnside suggested that a  
day be set aside for all citizens to  
join in an effort to clean up the  
city park, and said that some of the  
idle classes drifting into Palatka  
might be pressed into service. The  
suggestion was referred to the park  
committee.

There was considerable discussion  
as to the disposition of vagrants  
pulled off the trains coming into Pa-  
latka, and it was finally decided that  
this is a matter for the county  
authorities to handle.

Mayor Fearnside favored a sug-  
gestion made at the last meeting of  
council by City Health Officer Davis  
for a central inspection bureau for  
meats. Aldermen were not disposed  
to favor the suggestion at this time  
inasmuch as it involves expense which  
the city is not in a position just now  
to undertake.

Alderman Gay called attention to  
the bad state of repair of the bridge  
across the river. He referred to the  
fact that within a short time it will  
be necessary to close the bridge for  
repairs and on his motion the coun-  
ty commissioners will be requested to  
have the lights placed on the bridge  
in accordance with the agreement  
reached some time ago with the  
Southern Utilities Co.

Alderman Rowton called council's  
attention to the coming Armistice  
Day celebration, at which time Gov-  
ernor Hardee will be a visitor to the  
city and urged that all citizens be  
requested to clean up their premises  
and make such repairs as are neces-  
sary.

Alderman Mullis asked that a  
mounted policeman be placed on  
duty in the Heights during the next  
four months, as there are so many  
stragglers out that way. This was  
referred to the police committee.

MIAMI POLICE MUST PERK UP  
Miami, Oct. 18.—"Kangaroo"  
courts usually exist in jails or among  
enlisted men in the army but it has  
remained for the Miami police de-  
partment to recognize the tribunal  
officially.

Untidy members of the department  
who happen to wear their caps on  
the sides of their heads or pushed  
too far back will in future face a  
"kangaroo" court composed of bro-  
ther officers and if found guilty of  
violating the military code of the de-  
partment will be fined, the proceeds  
to go to the Police Benefit Fund. Es-  
tablishment of the court was decided  
upon by H. G. Ralston, commissioner  
of public safety, and Chief of Police  
H. L. Quigg.

The court will be composed of a  
committee of officers known as "The  
Kangaroo Committee" to be ap-  
pointed by Chief Quigg. From the  
committee a judge, prosecuting at-  
torney, attorney for the defense and  
a jury will be selected.

HOUSE PASSES BILL TO  
CONTINUE EMERGENCY TARIFF  
Washington, Oct. 18.—A bill to  
extend the life of the emergency  
tariff law to February 1 was passed  
late today by the house. The mea-  
sure now goes to the senate.

If the extension is not authorized  
by the senate the emergency law ex-  
pires November 27.

GRAND TODAY  
The feature attraction at the Grand  
today is Viola Dana in her newest  
picture entitled, "Home Stuff," writ-  
ten by Frank Dacey and Agnes John-  
ston. The star is said to live up to  
her reputation already earned for  
brilliant impersonation in her por-  
trayal of Madge Joy, leading lady of  
a cheap road show. The attraction  
comes to a standstill in a little town

for want of funds. Chance puts in  
her way both the refuge of a cozy

of the family and the love of a young  
farmer.

Then fate enters by bringing into  
the peaceful household Madge's past  
in the form of old state associates  
and especially of Susan Deep, a stago-  
struck girl who had left the very  
home Madge was adopted into, and  
later returns penitent. The compli-

freshness and appeal. Miss Dana is
